

NC CERT Go-Bag Requirements

Name: _____

The following list is the minimum personal equipment list required for graduation and Disaster Service Worker certification upon completion of the basic CERT class series. The items are designed to be contained in the “Go-Bag” backpack provided by the CERT organization, along with a helmet and vest. The participant may choose to add optional items of a personal nature if desired.

Note that these items do not represent all items recommended for optimal survival preparation, which should be contained in one or more “Go-Box” containers for home and/or car. Lists of these additional items may be found in your handbook.

The list below will be checked off at the final drill for compliance:

MANDATORY ITEMS:

- Duct tape**
- Face mask (N95 if possible)**
- Flashlight (extra batteries, bulb optional)**
- Gloves, durable leather or work**
- Gloves, nitrile or vinyl**
- Goggles**
- Permanent marking pen, black**
- Water, 1 bottle per hour**
